

## **AL SHIRAWI ENTERPRISES ARE THE NEW GARRETT DISTRIBUTORS IN THE UAE**

AL SHIRAWI ENTERPRISES are proud to announce the official signing of a new brand partnership with GARRETT, providing new and existing customers with a range of diesel, gasoline, and commercial vehicle turbochargers across the United Arab Emirates.

GARRETT have been manufacturing turbos since 1954 starting with the T15 turbo. In 1967 the T04 turbo was selected for a tractor farm range to deliver better performance, with the entire industry following suit. For decades GARRETT continue to provide boosting solutions helping race teams win races, championships, and world records. By the mid 1970s mass-market turbos for trucks was in full swing. 30 years on and almost every commercial diesel vehicle is equipped with increasingly sophisticated turbochargers.

Over the last 50 plus years GARRETT have been dedicated to engineering and manufacturing the safest, and highest performing turbochargers and accessories in the industry. GARRETT turbochargers improve vehicle performance, fuel economy, and drivability while producing cleaner emissions.

AL SHIRAWI ENTERPRISES continue to enterprise mobility across the UAE for over 40 years.
